Checkmarks

The program 1 prints a checkmark consisting of stars on the screen.

```
printf("      *\n");
printf("      *\n");
printf("      *\n");
printf("*    *\n");
printf(" *  *\n");
printf("  *\n");
```

```
      *
     *
    *
 *   *
*  *
 *
